Installation and maintenance

Please refer to Altro installation and maintenance instructions. Failure to follow these instructions can affect product performance and may affect or invalidate Altro's product guarantee. Some materials are known to cause staining on vinyl floors. Typical examples include: asphalt and bitumen materials, cardboard / hardboard (wet), dyes from printed literature or packaging, rubber-backed carpets and rubber mats and rubber furniture rests and trolley wheels. Technical information on installation and staining can be found at www.altro.com
