Altro Whiterock™ wall designs

Welcome to the new vision in wall decoration – Altro Whiterock wall designs. With natural wood, stone and linen-effect options, it gives an elegance to interior walls while providing the durability you expect from an Altro Whiterock™ wall sheet.

Altro Whiterock wall designs are perfect for general circulation areas as well as wet environments such as bathrooms and spas. It is fitted like an Altro Whiterock sheet, and can be combined with Altro floors for a fully sealed, impervious solution for non-critical hygiene environments. It can also be used with Altro Whiterock and Altro Fortis™ wall sheets in adjacent areas.
